

Rohan Mehta

Electronics and Communication Engineering • rohan.mehta@college.edu.in • +91 87654 32109 • CGPA: 6.8
/ 10

EDUCATION

B.Tech – Electronics and Communication Engineering

ABC Institute of Technology, Bengaluru | 2021 – 2025 | CGPA: 6.8

Class XII – CBSE

Delhi Public School, Bengaluru | 2021 | Percentage: 91.4%

Class X – CBSE

Delhi Public School, Bengaluru | 2019 | Percentage: 94.0%

TECHNICAL SKILLS

Embedded C, MATLAB, Arduino, Raspberry Pi, Python, PCB Design, IoT, VLSI basics

INTERNSHIP

ISRO Space Applications Centre, Ahmedabad

May 2024 – Jul 2024

Assisted in testing and calibration of satellite communication equipment.

PROJECTS

Smart Irrigation System

Designed an IoT-based irrigation system using soil moisture sensors and Raspberry Pi with a mobile alert system.

Line Follower Robot

Built and programmed an autonomous line-following robot for the national robotics competition.

ACHIEVEMENTS & CERTIFICATIONS

- 1st Place – Robocon Regional 2023
- NPTEL Certified – IoT and Embedded Systems
